MODEL BM96S

3 Door Supreme Refrigerated Prep Table

Model Available

- BM68S** - 96" wide, 2 door prep table with raised rail and granite work top

Refrigeration System

- Factory engineered, self-contained, capillary tube system using environmentally friendly (CFC free) R404A refrigerant
- Evaporator coil & condenser balanced for low power consumption - holding the widest temperature range in its class and getting the best in food preservation
- Coolers adjustable from 28 to 46°F (-2°C to 8°C)
- Sealed, cast iron, self-lubricating evaporator fan motor(s) and larger fan blades with a more efficient low velocity, high volume airflow design

Construction

- Higher insulation rates thanks to high-tech environmentally friendly CFC free, cyclopentane foaming insulation. 5% of energy consumption savings guarantee if compared to other CFC free foams.
- Raised rail featuring gas pistons to keep the covers open
- Interior - attractive stainless steel Aisi304, ETL
- Coved corners for easy cleaning
- Stainless steel exterior and interior
- Door extends full width of cabinet shell
- Self closing hinged magnetic doors
- Magnetic gasket of one piece construction, removable without tools for ease of cleaning

Standard Features

- Three heavy duty PVC coated wire 18" x 26" rack included
- Warranty: 1 year parts and labor, 5 year compressor

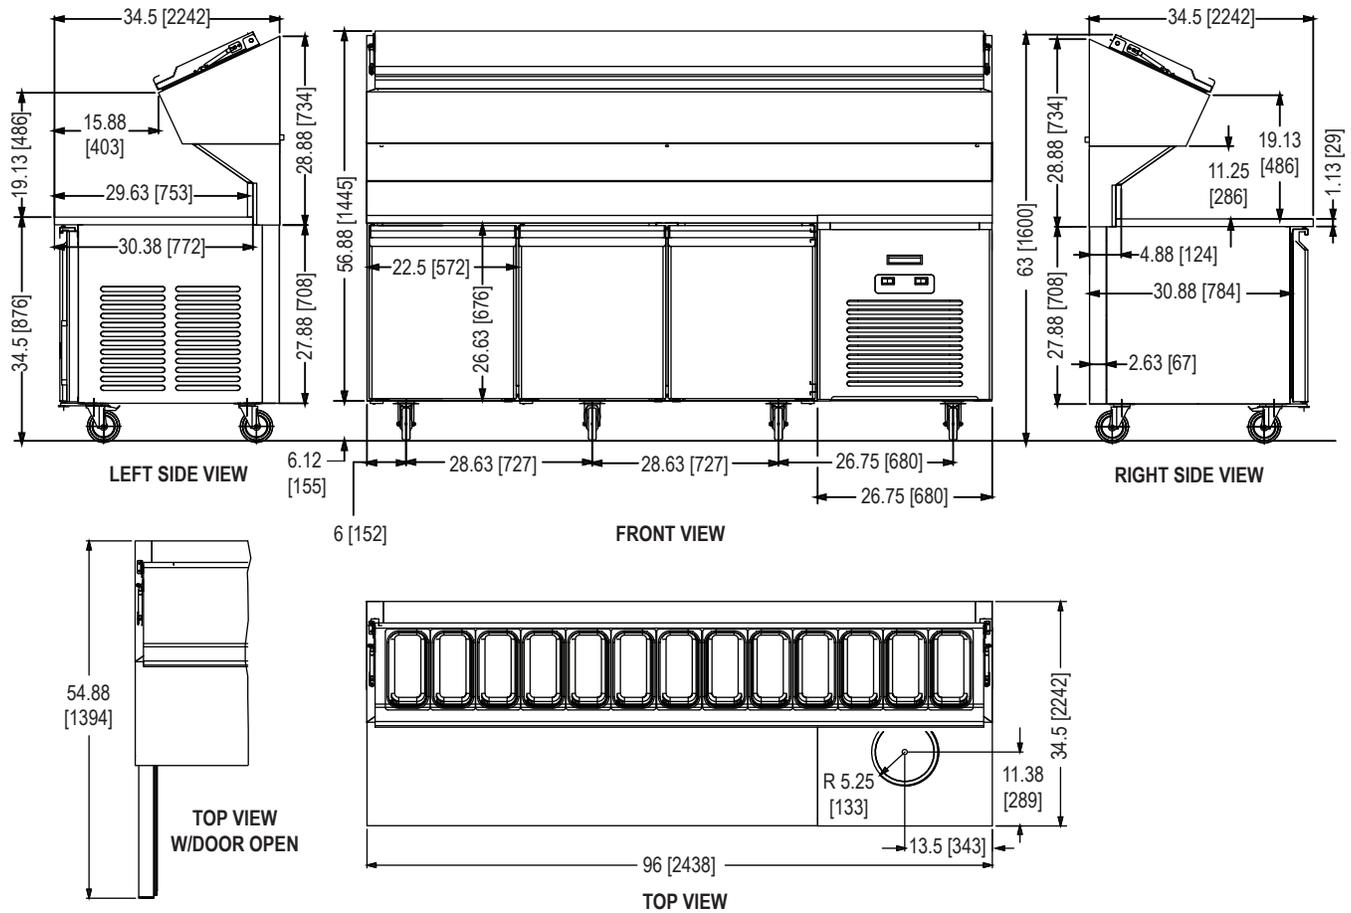

Options & Accessories

(AT ADDITIONAL CHARGE)

- 18" x 26" stainless steel wire rack

SHORT FORM SPECIFICATIONS: Provide Marsal model BM96S refrigerated prep table. Unit shall feature CFC free, cyclopentane foaming insulation. Three doors extend the full width of the cabinet shell with self closing hinged magnet doors and a magnetic gasket that is removeable without tools. The unit includes a raised rail with self opening rail covers and a granite work top. The refrigeration system is a self-contained, CFC free, capillary tube sytem. The evaporator coil and condenser are balanced for low power consumption. Unit is adjustable from 28 to 46°F (-2°C to 8°C). Unit shall have sealed, cast iron, self-lubricating evaporator fan motor(s) and larger fan blades with a more efficient low velocity, high volume airflow design. Provide with eighteen month oven parts and one year labor warranty. Provide with options and accessories as indicated.

DIMENSIONS ARE IN INCHES [MM]

Specifications

Dimensions	96" W x 34.5" D x 63" H (2438 x 876 x 1600 mm)
Capacity	30 cubic feet
Rack capacity*	Sixteen 18" x 26" racks
Electrical	115 / 60Hz / 1Ph / 9 amp
Refrigerant type	Environmentally friendly (CFC free) R404A
Warranty	1 year parts and labor, 4 additional year compressor (parts only)
Shipping weight	992 lbs (450 kg)

* Ships with 3 racks, additional racks available as an accessory
